RE: Hypercube Telecom, LLC South Carolina PSC Access Tariff No. 2  
Docket No. 2012-136-C; FCC ICC Compliance Access Tariff Filing

Dear Ms. Boyd:

Enclosed for filing please find the original of the above referenced tariff filing submitted on behalf of Hypercube Telecom, LLC. This filing implements the terminating switched access rate reductions of the Federal Communications Commission Report and Order in WC Docket No. 10-90, etc., FCC No. 11-161 (released Nov 18, 2011) ("FCC Order"). The Company had no intrastate South Carolina terminating access demand for FY 2011; therefore no reductions are required. However, this filing implements the FCC's Option 2 by migrating to interstate rates and structure, without a transitional rate element. The resulting rates are provided in Exhibit A. The Company respectfully requests an effective date for this filing of July 1, 2012.

The following tariff pages are included with this filing:
